

The grand opening of **THE LODGE**

After fundraising nearly £140,000, our new home is finally here. And we want **YOU** to join in the celebrations!

On **Saturday 24th September**, from **12pm - 4pm**, The Lodge will officially open to the public with a **free** family fun day!

The Lodge is situated at the front of St Benet Biscop Catholic High School in Bedlington, and has separate access to the school

The day will feature face painting, children's rides, a candy floss stall, raffle/tombola, BBQ, mini bike obstacle course, fudge bar, arts/crafts activities and refreshments.

The day will run alongside a sponsored bike ride* (9am-12pm) in aid of the Simon Parker Trust finishing at The Lodge.

There will also be an entertainment stage with song and dance performances from local talent as well as the first tree planting in our new soon-to-be sensory garden.

So come along and join in the fun!

** Registration and sponsor forms are available from Leading Link*

The Lodge will house family workshops for all, Saturday morning car boot sales, Music @ The Lodge and an informal tea room and gallery
