

3 generations

As part of our '60 years of Bedlington' project and the production of our 'Creative Wall' we are producing a film looking at three generations of families across schools in Bedlington.

We are seeking three generations of family members who have passed through our Bedlingtonshire schools over the last 60 years, to talk about their experiences, a typical day across the generations and how things have changed.

This film will also form part of Bedlington's contribution to the Commonwealth Jubilee Time Capsule, a virtual archive which will also be physically buried. A copy of the best material will be presented to Her Majesty the Queen as part of Diamond Jubilee celebrations.

Our '3 generations' film will also form part of our Creative Wall, to be unveiled during 'The Big Event', our family fun day on Sunday 3rd June at The Lodge in Bedlington. If you're interested in being involved in this film or have a story to tell then let us know now!
