

# Bedlington Forum

*A Community in Partnership*

***NB.....Stop press! NB.....Stop press! NB.....Stop press! NB.....Stop press! NB.....Stop press! NB.....Stop press!***

Before our usual Forum meeting starts there will be a short presentation about the forthcoming Digital Switch Over in September, starting at **6.00pm**.

Just about everyone will have to retune their TVs in September and even if you already have a brand new digital TV this will still affect you!

This presentation is for anyone with questions or concerns about the analogue switch off and anyone who wants the correct up to date information about digital.

(Includes free tea & coffee)

**Monday 9<sup>th</sup> July 2012, 6.00pm – 8.30pm**

**Venue: Salvation Army**
